Forecast for Sunday 13 Sep 2020

Weather: Low cloud will give fog over the peaks tonight, perhaps with the odd spot of light rain. However, it should stay largely dry. It will also be windy with gales at times over the higher ground. Fog will gradually lift in the morning to leave a dry day with sunny spells developing through the afternoon. It will stay windy, but winds will gradually ease a little in the evening.

Chance of cloud free mountain/hill tops above 800m: 0% with cloud bases around 600m until mid-morning, improving to near 100% by mid-afternoon.

Visibility: Generally 30-40km, but 100m in fog.
